## Gilbert Guns Moves to GIR!

Effective April 1, 2004, Gilbert Guns moved to the range. Merging our two locations allows us to provide you with an even better selection of firearms and accessories in our spacious retail area. Custom wood and glass display cases now line all four walls in our walk-in vault and showroom. Come on in and check out our extensive stock of handguns, long guns, and Class III firearms. All cases are full with new, used, and rental guns. In addition to the convenience of having the shop and range under one roof, you can also take advantage of our expanded hours for your shooting and shopping pleasure. You can try our rental guns before you buy, shop, and/or shoot seven days a week.

**GIR Begins Year 4!** - It's hard to believe the range has been in full operation for three years. As they say "Time Flies When You're Having Fun." May 27 marks the beginning of our 4<sup>th</sup> year. Thanks you for your support.

**Bowling Pin Shooting** - Pin shoots every Thursday evening at 7:00 p.m., alternating each week between handgun and shotgun. This is a real blast and a great way to improve your average! Bring your own shotgun or rent one of ours.

**Bring-a-Friend Membership Promotion** - Because of last year's enthusiastic response to this offer we are doing it again! From May 15 through May 30, 2004, all Annual members are allowed an unlimited number of 'guest' passes, at no charge, to introduce 1st-time visitors to the range.

**Hogan's Alley** - Every other Tuesday at 7:00 p.m. "Pepper Poppers" and other reactive targets are available for this special event and your shooting pleasure. This is a great way to test and improve your shooting skills.

**Annual Members** - Receive 10% off accessories, excluding sale items.
